# Jazz Strings Workshops

## Focus Audience:

- ♪ Primary or Junior Secondary Schools - Provide a Great introduction to Jazz Improvisation for your Junior String Players
- ♪ Regional Conservatoriums - Provide a workshop with a difference and establish a forum for string players to experience and perform contemporary music - composed, improvised and World Music as well as Jazz
- ♪ Independent schools K-6 - get your string students excited and involved with Jazz and other contemporary music performance
- ♪ Senior High Schools and Music Classes: prepare ensemble and solo jazz performances for examinations - eg HSC and VCE or other public performance

## Aims & Outcomes:

- ♪ Motivate and enable strings students to perform and improvise on popular Jazz Standards
- ♪ Teach students musical concepts of Jazz; eg swing rhythm, syncopation, chord structure etc
- ♪ Conclude the day with a parent concert with both solo and ensemble Jazz performances

**Presenter:** Phil Rooke - check our website. Click on this link "[About Us](#)" to read Phil's biography and background in Jazz Performance Also Available - you can hire in our excellent rhythm section - Nigel Date on Guitar and Stan Valacos on Bass .
