

Tracks 23 & 24 on the CD

One Finger Samba

This catchy piece is very easy to play. It uses 1st finger on 'D', 'A' & 'G' strings. Look at the pictures on the previous page to see how the 1st finger is placed on the finger board.

Listen to the backing track with melody to hear how it goes.
It is played twice through.

You can play this pizzicato or plucked if you like.
