

Lazy Sunday Arvo

Composed by P. Rooke © 2009

This is a simple tune that you can play on the open strings of the guitar - the 1st tune is played on the 1st string. The 2nd tune is played on the 2nd string and the 3rd tune is played on the 3rd string.

Track 2 on the CD

The zeroes above the notes indicate that you do not place a finger on the string.

We don't need to place zeroes above the string again.

These notes are all played on the 2nd string with no fingers on the fingerboard.

Track 3 on the CD

These notes are all played on the 3rd string with no fingers on the fingerboard.
