Sample Only

Sample Only for Tonal Tuesday. You can try this out with the video of the rhythm section only on the website. The published version will have ALL of the charts for violin AND rhythm section PLUS a DVD with both the performance videos PLUS videos of rhythm section only PLUS videos of performance and improvisation tips from the composer.

This is a GREAT aid to help teachers teach improvisation to string students PLUS students can put up the video of just the rhythm section backings on a big screen TV or projector and use it for real life improvisation practice and/or music exams or other public performance.
